The Site charges fees in connection with the posting of offerings and sale of securities on the Site in reliance on Section 4(a)(6) of the Securities Act of 1933, as amended. Currently, the Site charges to Issuers a fee consisting of 8.5%, which includes 7.5% in cash and 1% in equity, based on the amount of investments raised in the Offering and paid upon disbursement of funds from escrow at the time of a closing. The equity portion is comprised of securities issued by the Issuer. Separately, Investors are subject to a 3.5% fee at the time of their investment.

The securities paid to the Site will be of the same class and have the same terms, conditions and rights as the securities being offered and sold by the Issuer on the Site. The Site expressly reserves the right to change its policies regarding fees at any time in the future in its sole discretion, including in connection with promotional events or new services. Changes to these fee policies are effective after providing users of the Site with notice by posting such changes on the Site and/or notifying such users via electronic communications.
